INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to applicants' duty of disclosure under 37C.F.R. 1.56, attached is a PTO-1449 citing for the Examiner's consideration twenty (20) references (some references previously submitted and made of record in the parent application of the present continuation application; most references are U.S. and therefore not submitted, unless by Examiner request). It is respectfully requested that these references be made of record in this application by the Examiner's completion and return of Form PTO-1449.

Identification of the listed references is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references therein as "Prior Art." As an alternative, Applicants submit herewith a "revised PTO Form 1449" entitled "List of References Cited By Applicant" instead of "List of Prior Art Cited."

No fees are believed due for this submission; however, should any fees be required for any reason, however, please charge such fees to Morgan, Lewis & Bockius LLP Deposit Account No. 50-0310.

June 8, 2004

Respectfully submitted,
